

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

## MEXICO.

*Report from City of Mexico*—Instructions to Mexican consuls relative to Asiatic immigrants.

The following is received from Consul-General Gottschalk, under date of October 17:

The foreign office of Mexico sent out under date of October 8 a circular instruction to all Mexican consuls abroad stating that by reason of the frequency with which Asiatic immigrants bring trachoma into the country there has been passed an order prohibiting immigrants afflicted with this disease to land within the Republic.
